

ARPA

Atlantic Region Philosophers' Association

Call For Papers

We are pleased to invite papers on the topic "Philosophy in Evolution." Papers from all areas of Philosophy are invited, including historical, scientific, epistemological, social, or moral philosophy. Topics might address Philosophy as an evolving discipline, progress within branches of Philosophy (such as Feminist Ethics or Epistemology), individuals' feminist, moral or philosophical progress, theories of change, or evolution.

Atlantic Region Philosophers' Association

October 16-17, 2009
